

Childs Farm

You will need:

- Colouring in pens, pencils or crayons
- Scissors (always ask an adult when using scissors)
- String (or ribbon or wool)
- Sticky tape

To make your bunting:

1. Colour in the pictures on the flags (colour more to make longer bunting)
2. Ask an adult to help you cut out the flags along the dotted lines
3. Stick the string to the reverse of your flags with the sticky tape (use the picture as a guide; ask an adult to help as this bit can be tricky!)
4. Hang your bunting up and celebrate!
