# Consequence

## How to play

Take it in turns to add to the drawing - folding the paper before passing it on, so that no one knows what's been drawn before. At the end, unfold the paper to see what you've created!

# TRAFFIC JAM

## how to play

Each player starts by colouring all the cars on their sheet in different colours (colour the first car the colour of your own car!). You then have to see a real car outside matching the next coloured-in car on your sheet to move forwards. Draw a line to mark your progress - first player to reach the end of their sheet, wins.
