

# BACK TO SCHOOL KIDS CRAFT

## Instructions:

1. Color the printable: Use crayons, markers, or colored pencils to color the different parts of the backpack, color, pencil and notebook. Let your creativity shine! You can use any colors you like.
2. Cut out the pattern: Carefully use scissors to cut along the outline of the shape. Be sure to cut out any straps or additional decorative elements included in the printable.
3. Fold and assemble: Carefully fold your printable along the instructed fold lines to create the backpack. Then, use glue or a glue stick to secure the flaps together.
4. Attach straps: Cut out and attach them to the backpack using glue. Make sure to position them in the correct places on the backpack.
5. Add any additional decorations: Cut out the additional decorations and glue or put them inside the pocket of the backpack.
6. Let it dry: Allow the glue to dry completely before handling or using the backpack.
