

# little monster INSTRUCTIONS

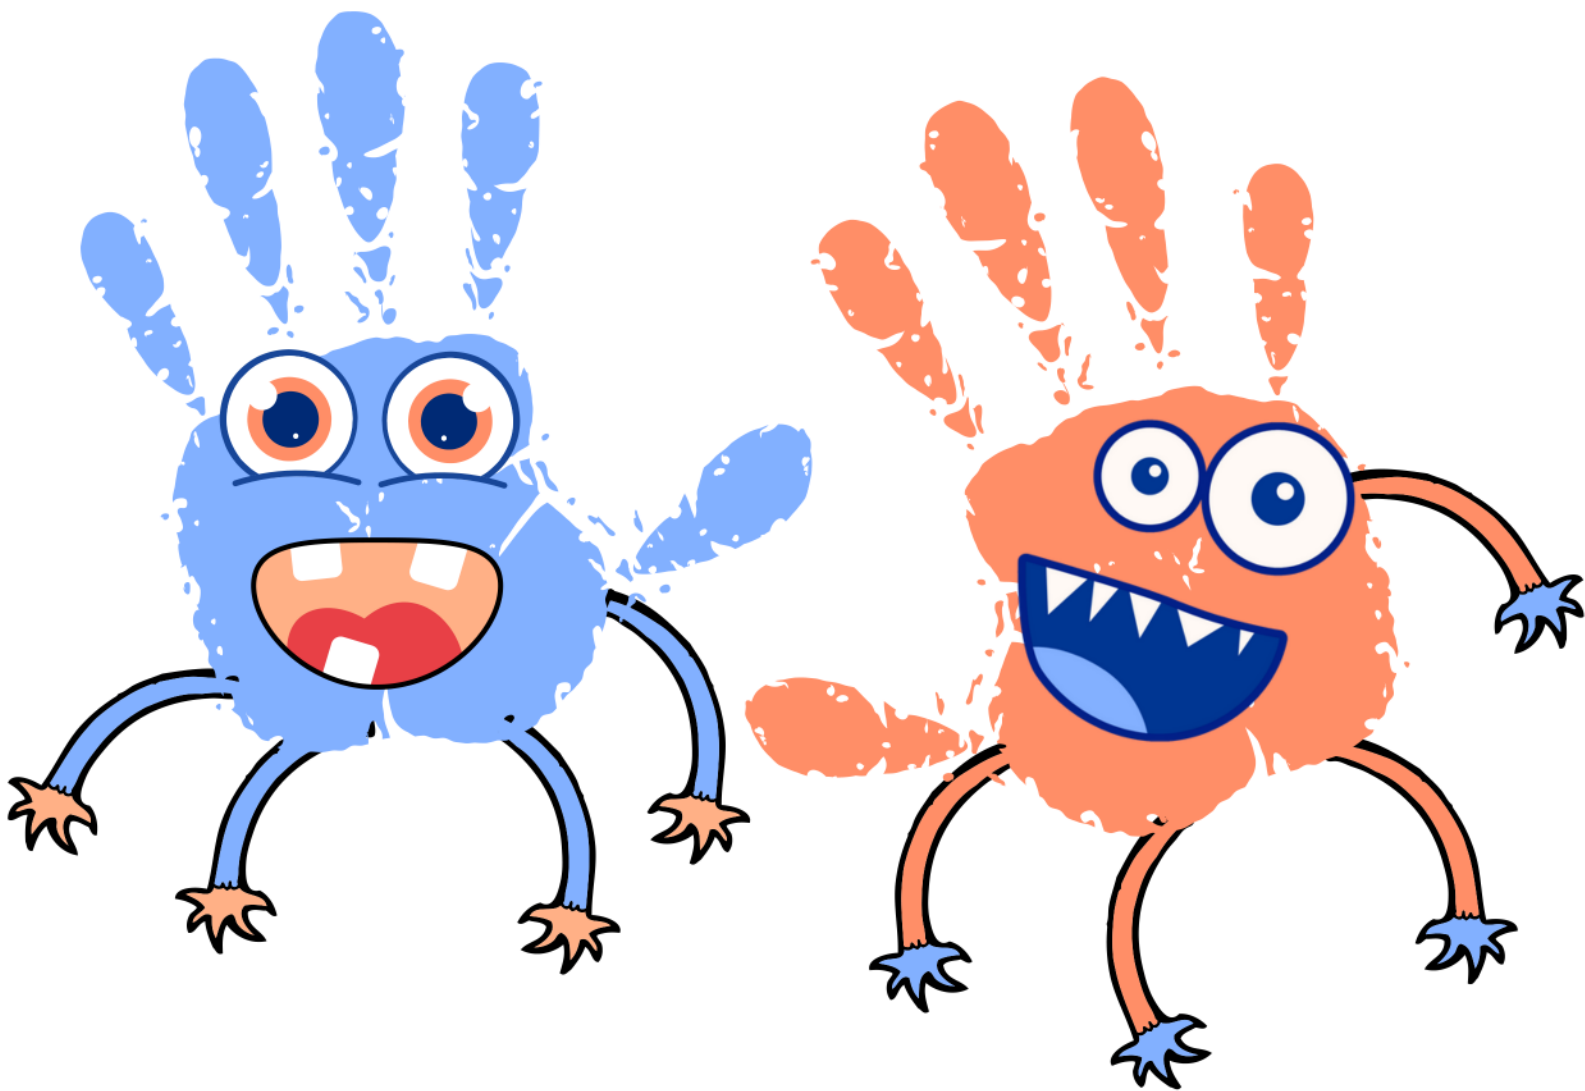

1. Print the little monster pages on white US letter paper.
2. Use the little monster pages that already have handprints and footprints on them as your example of what your artwork should resemble.
3. Place your kiddos hand and foot in safe, non-toxic, paint and then press them firmly on the blank little monster pages. Let them dry.
4. Print the monster eyes, hands, & feet on clear sticker paper in a home printer and cut out. Or, print the monster eyes, hands, & feet on white paper, cut out, & glue to your artwork.
5. Present your little monster artwork to your loved one! ❤️
