

# CHRISTMAS CHARADES

# CHRISTMAS CHARADES

## How to play:

1. Print and cut all of the Christmas Charades cards
  2. Mix them up and place them face side down in a bucket or container
  3. Separate into two groups to form 2 teams
  4. Rotate turns and have 1 person from each group pick a card from the bucket
  5. Set a timer for around 3-5 minutes
  6. This designated person will not act out the card to his/her team members
  7. The team will have the 3-5 minutes to guess what the card says
  8. If the team guesses it correct in the time allowed they get a point
  9. The team with the most points at the end of the game wins!
