intheplayroom.co.uk

Welcome To Your Cursive Handwriting Practice Book!

Let's Learn Cursive - One Letter At A Time!

This book is designed to help you learn how to write each uppercase cursive letter of the alphabet. Each page focuses on just one letter so you can take your time, trace carefully, and master the shapes before moving on.

How to Use This Book:

1. Look at the Big Letter at the Top
 - This shows you what the cursive letter looks like when written properly.
2. Start with the First Tracing Line
 - Use a pencil to carefully trace over the dotted lines.
 - Take your time and try to stay on the path.
3. Repeat the Tracing on Each Line
 - Each row gives you more chances to trace the letter.
 - Try to improve your smoothness and neatness each time.
4. Say the Letter Out Loud
 - As you trace, say the letter (e.g. "G") so you remember its name and shape.
5. Practice Every Day
 - Just a few minutes of practice each day can help you become a cursive writing pro!

Top Tips for Success:

- Sit up straight and hold your pencil comfortably.
- Keep your paper steady with your other hand.
- Go slow—neatness matters more than speed!
- Take breaks when you feel tired—writing should be fun!

You've Got This!

Remember, cursive writing takes practice, patience, and persistence. Don't worry if it's tricky at first—you'll get better with every page!
