

Turn these simple circles into something amazing.
Complete the drawing with your imagination!

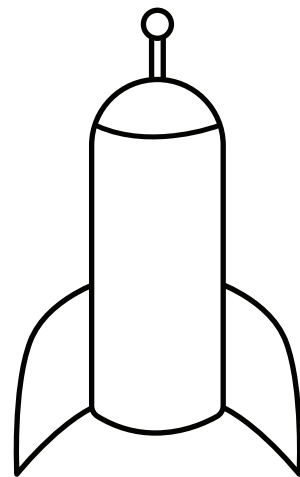

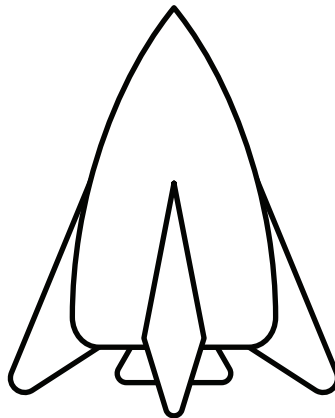

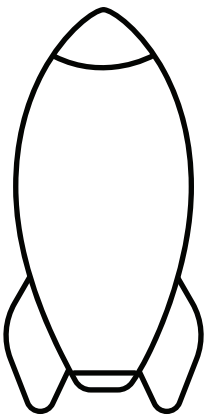

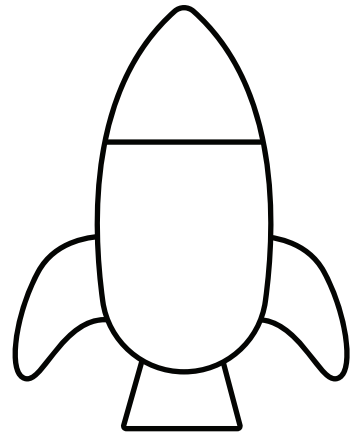

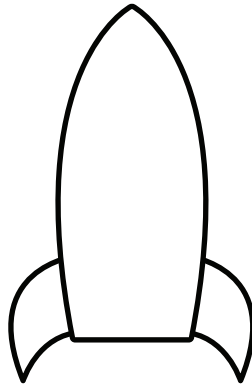

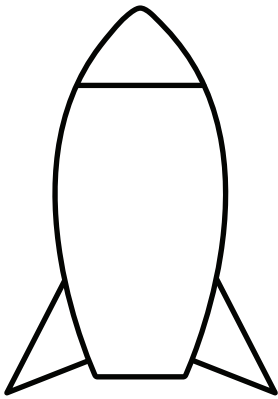

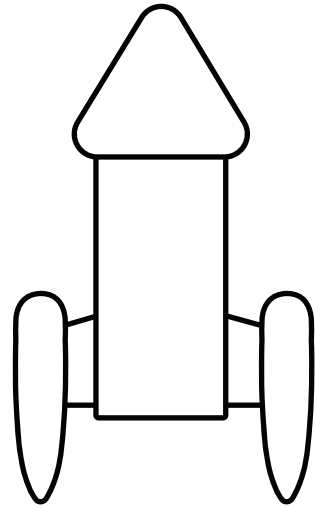

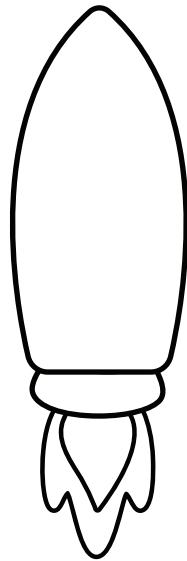

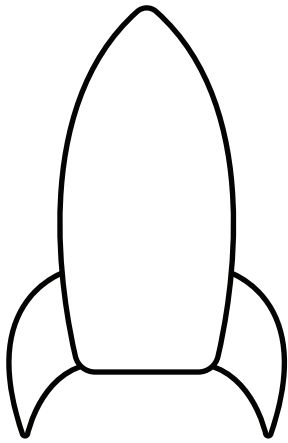

Complete each drawing to create a unique person. Use your imagination to add faces, hair, arms, clothing, and any fun details you like. Each one can be different, maybe a superhero, a chef, a pirate, or even a robot!

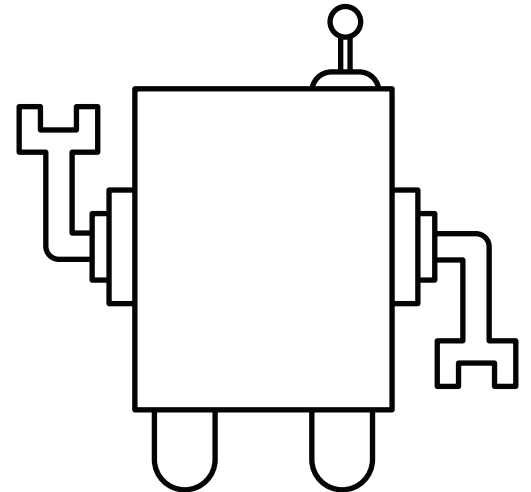

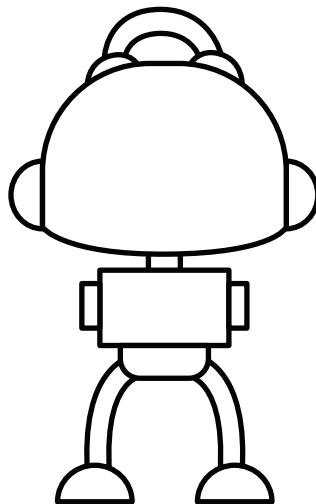

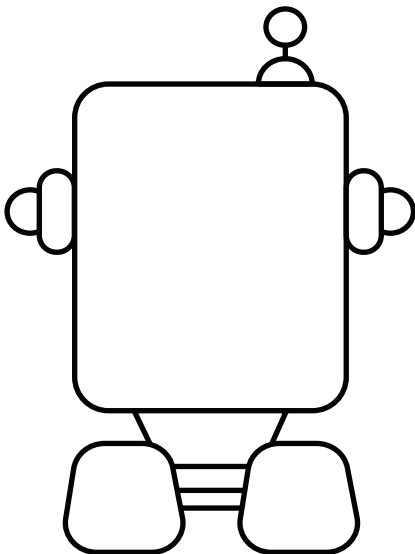

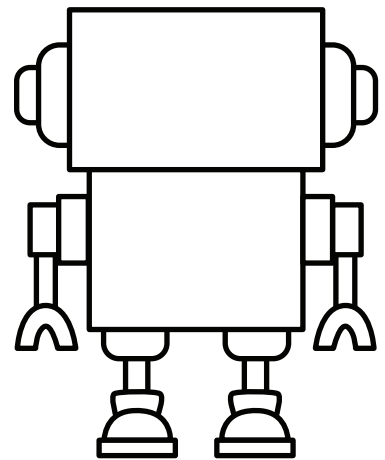

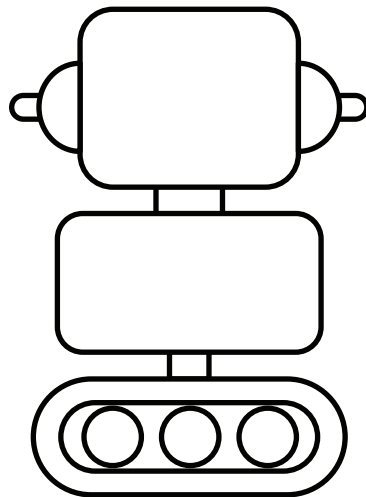

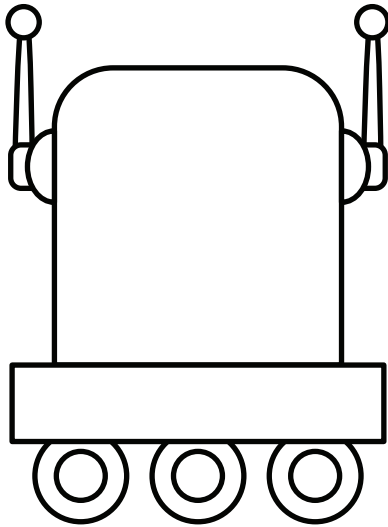

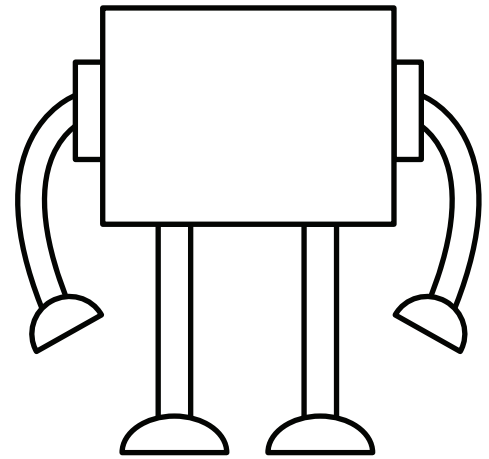

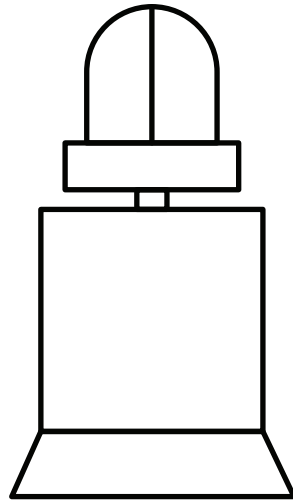

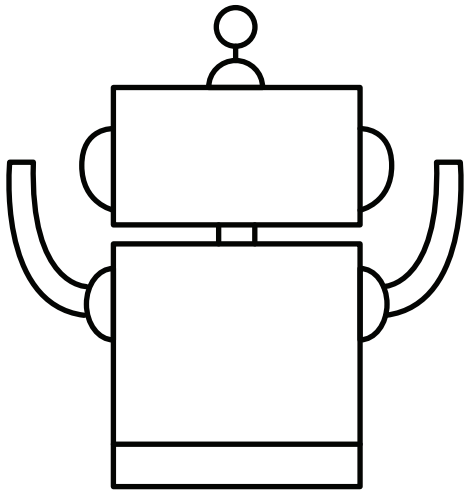

Use each square to draw something different. Try drawing faces, animals, symbols, or objects. Each square is your mini canvas!

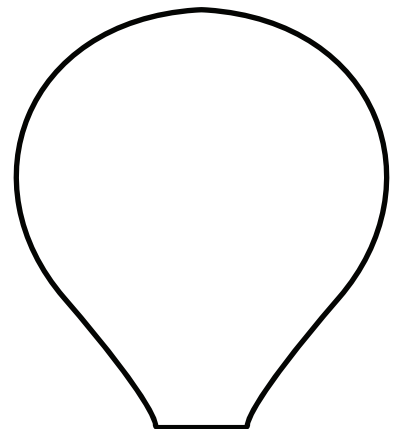

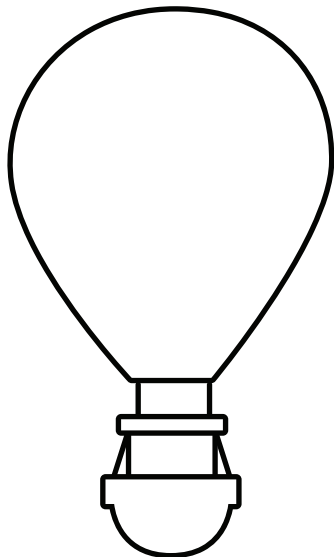

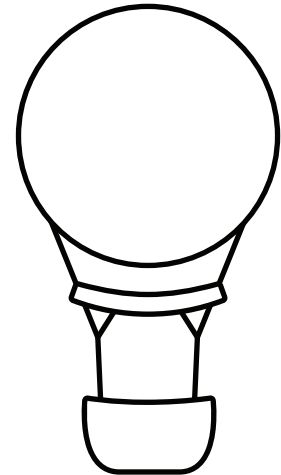

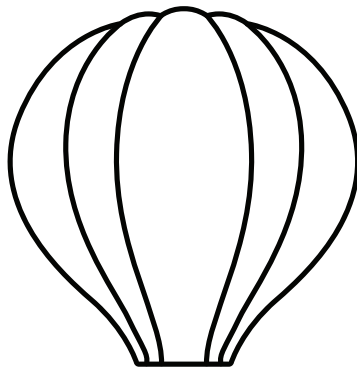

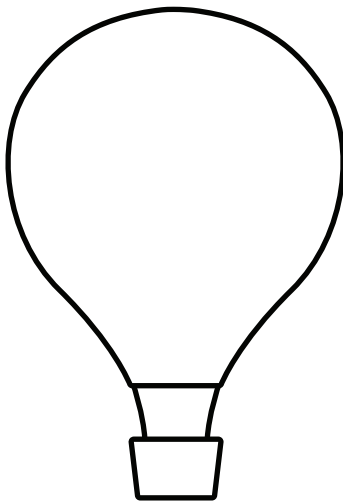

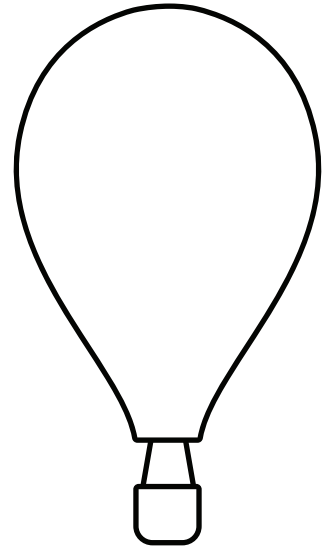

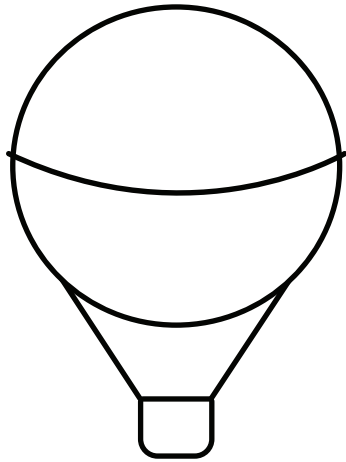

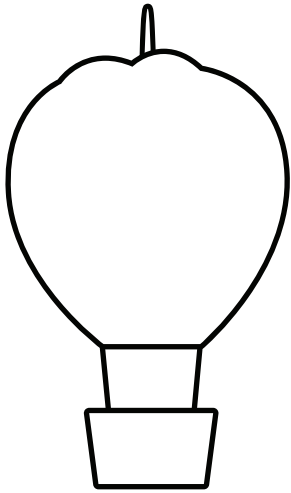

Use your imagination to complete each rocket drawing. Add windows, flames, designs, colors, and anything else to make your rockets look ready for launch!

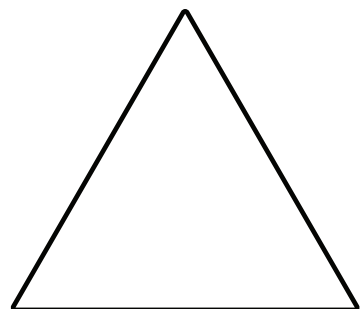

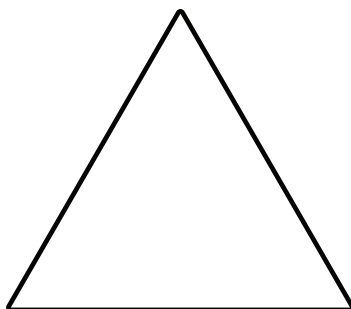

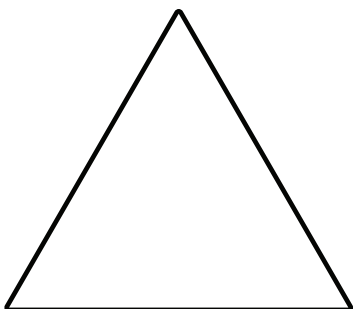

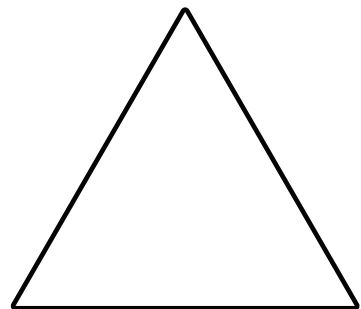

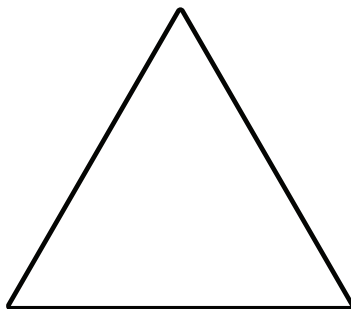

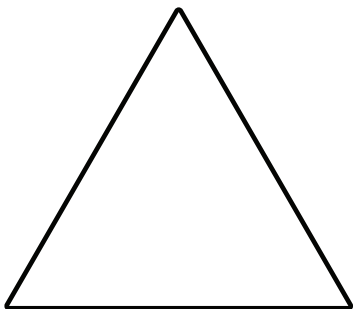

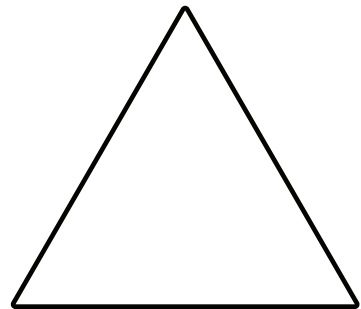

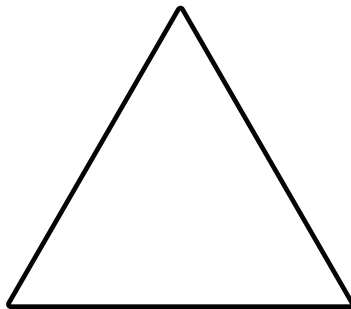

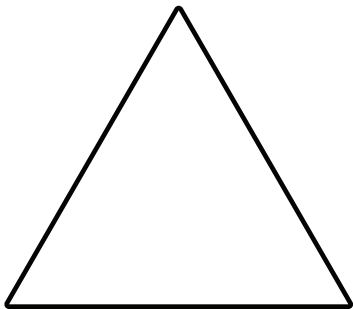

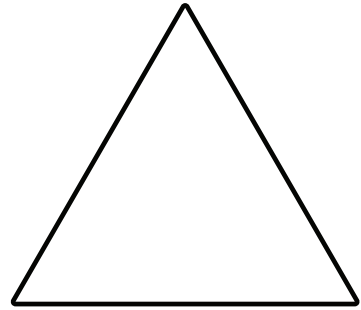

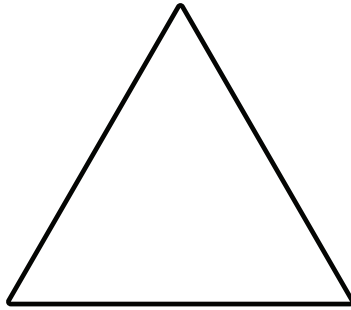

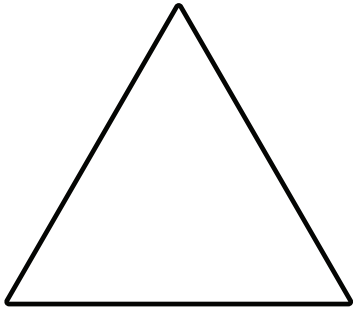

Use your imagination to complete each robot drawing. Add buttons, screens, antennas, colors, and anything else to make your robots stand out!

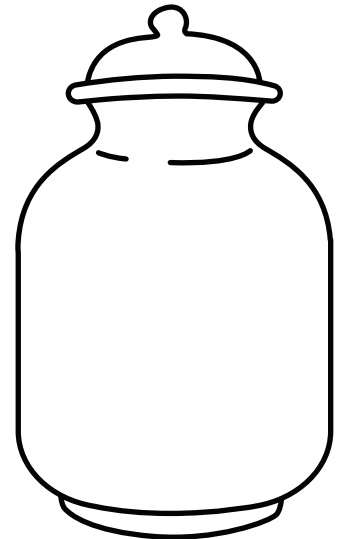

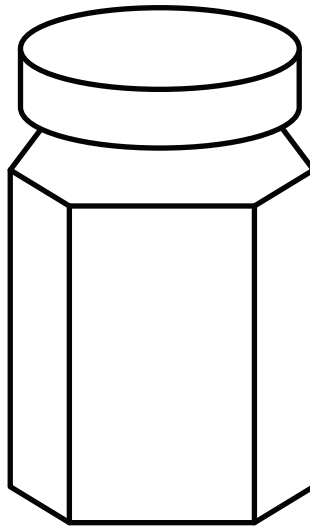

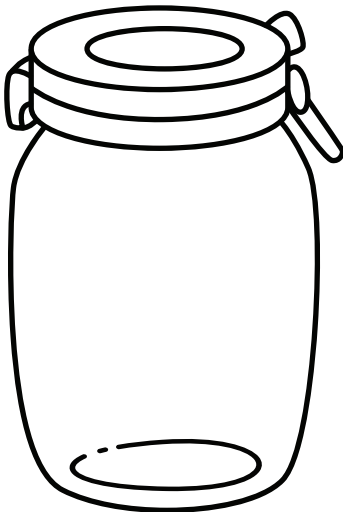

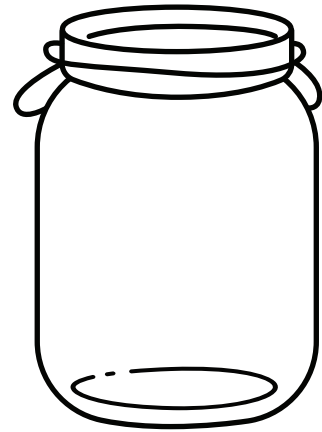

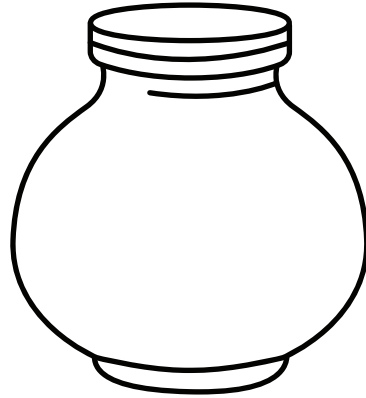

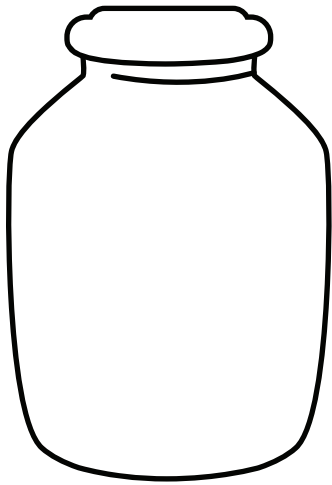

Finish and Decorate the Hot Air Balloons. Use your imagination to complete each balloon drawing. Add patterns, stripes, baskets, colors, and anything else to make your balloons stand out!

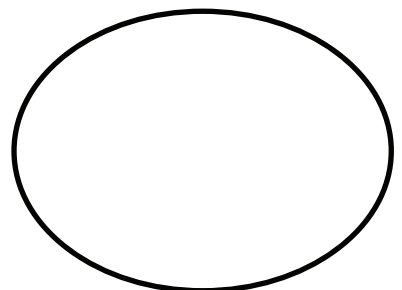

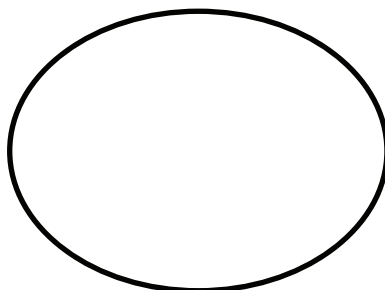

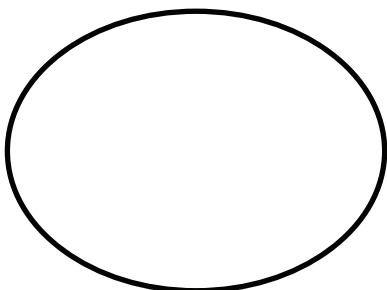

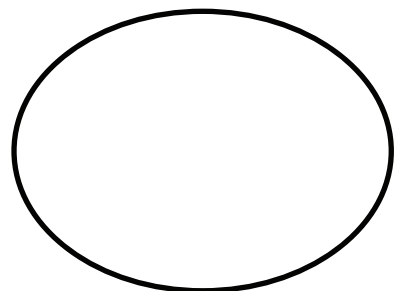

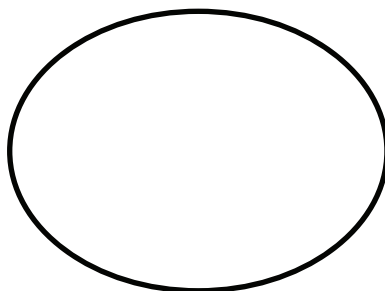

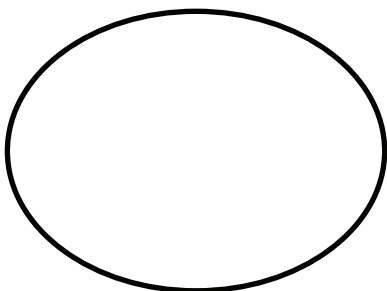

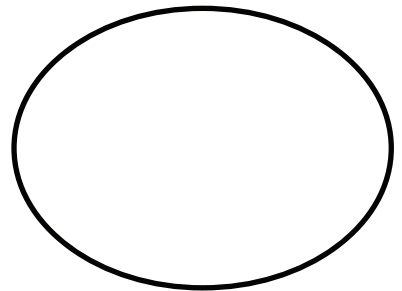

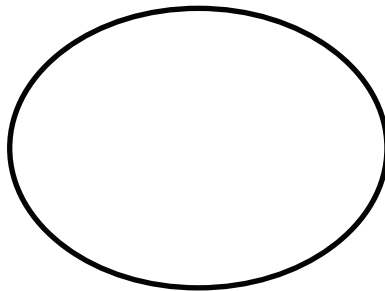

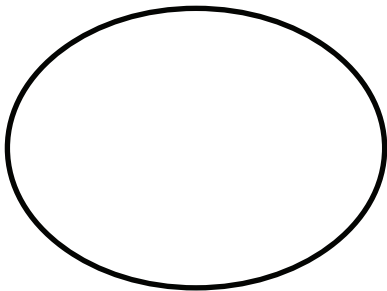

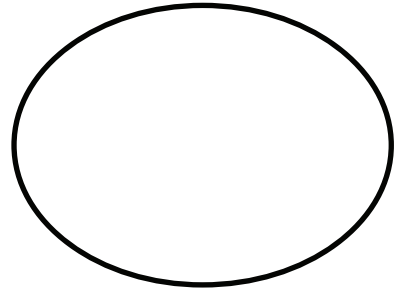

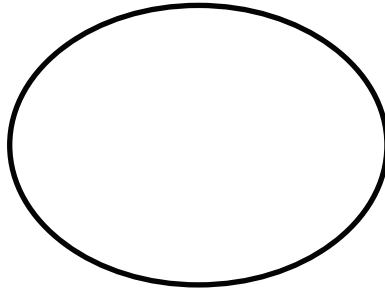

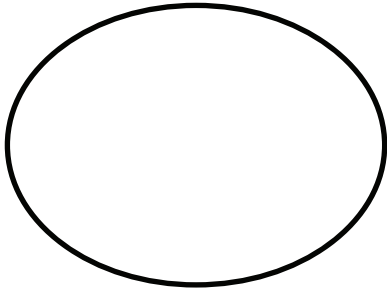

Turn these simple triangles into something different.
Complete the drawing with your imagination!

Use your creativity to complete each jar drawing. Draw objects, scenes, or anything else to make your jars special.

Turn the Oblongs into Animal Faces. Use your creativity to add eyes, ears, noses, mouths, and other features to complete each animal. Will it be a lion, a bunny, a dog, or something totally new? You decide!

Use your creativity to complete each butterfly by drawing wings, patterns, and decorations. Add shapes, colors, and designs to make each butterfly unique and beautiful!
