HALLOWEEN 3D CRAFT

Materials Needed:

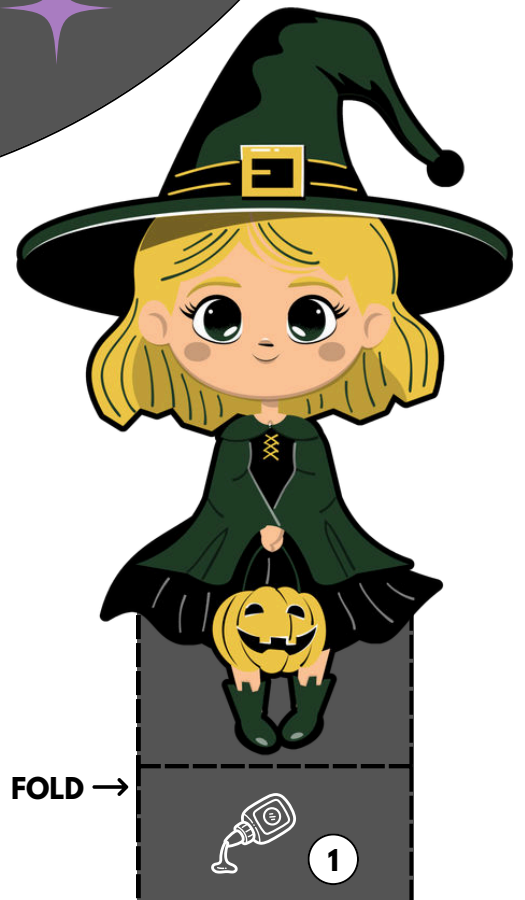

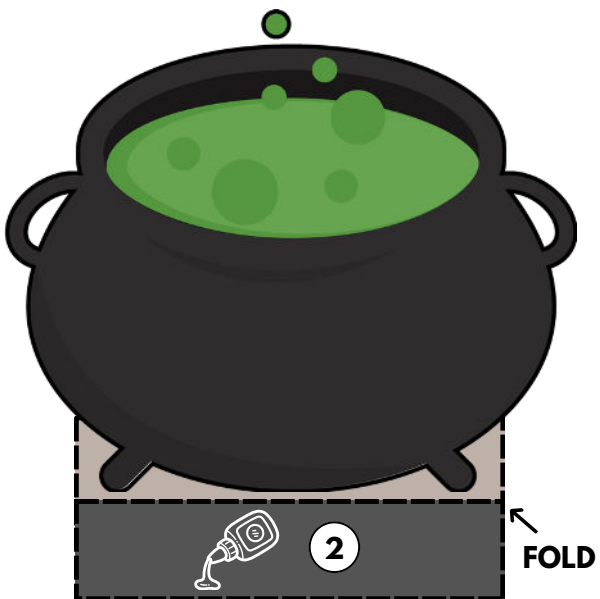

- Printable templates
- Scissors
- Glue

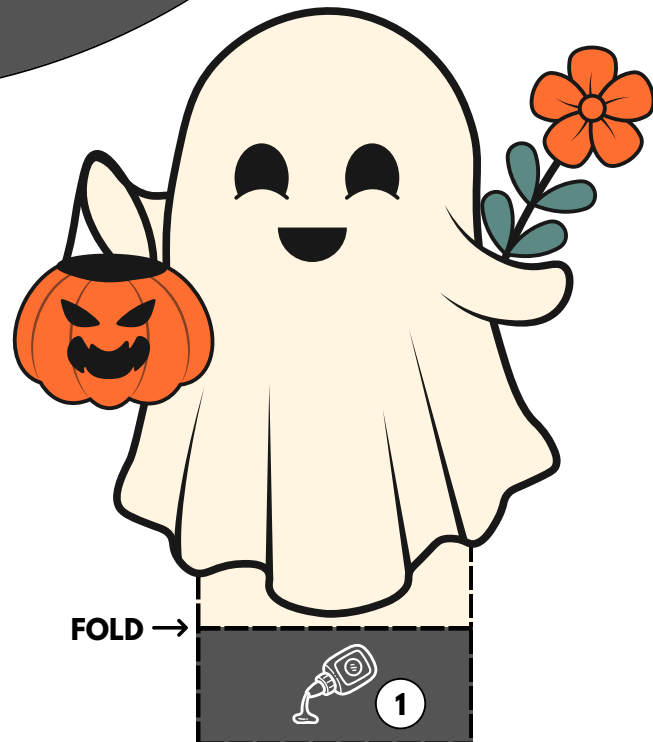

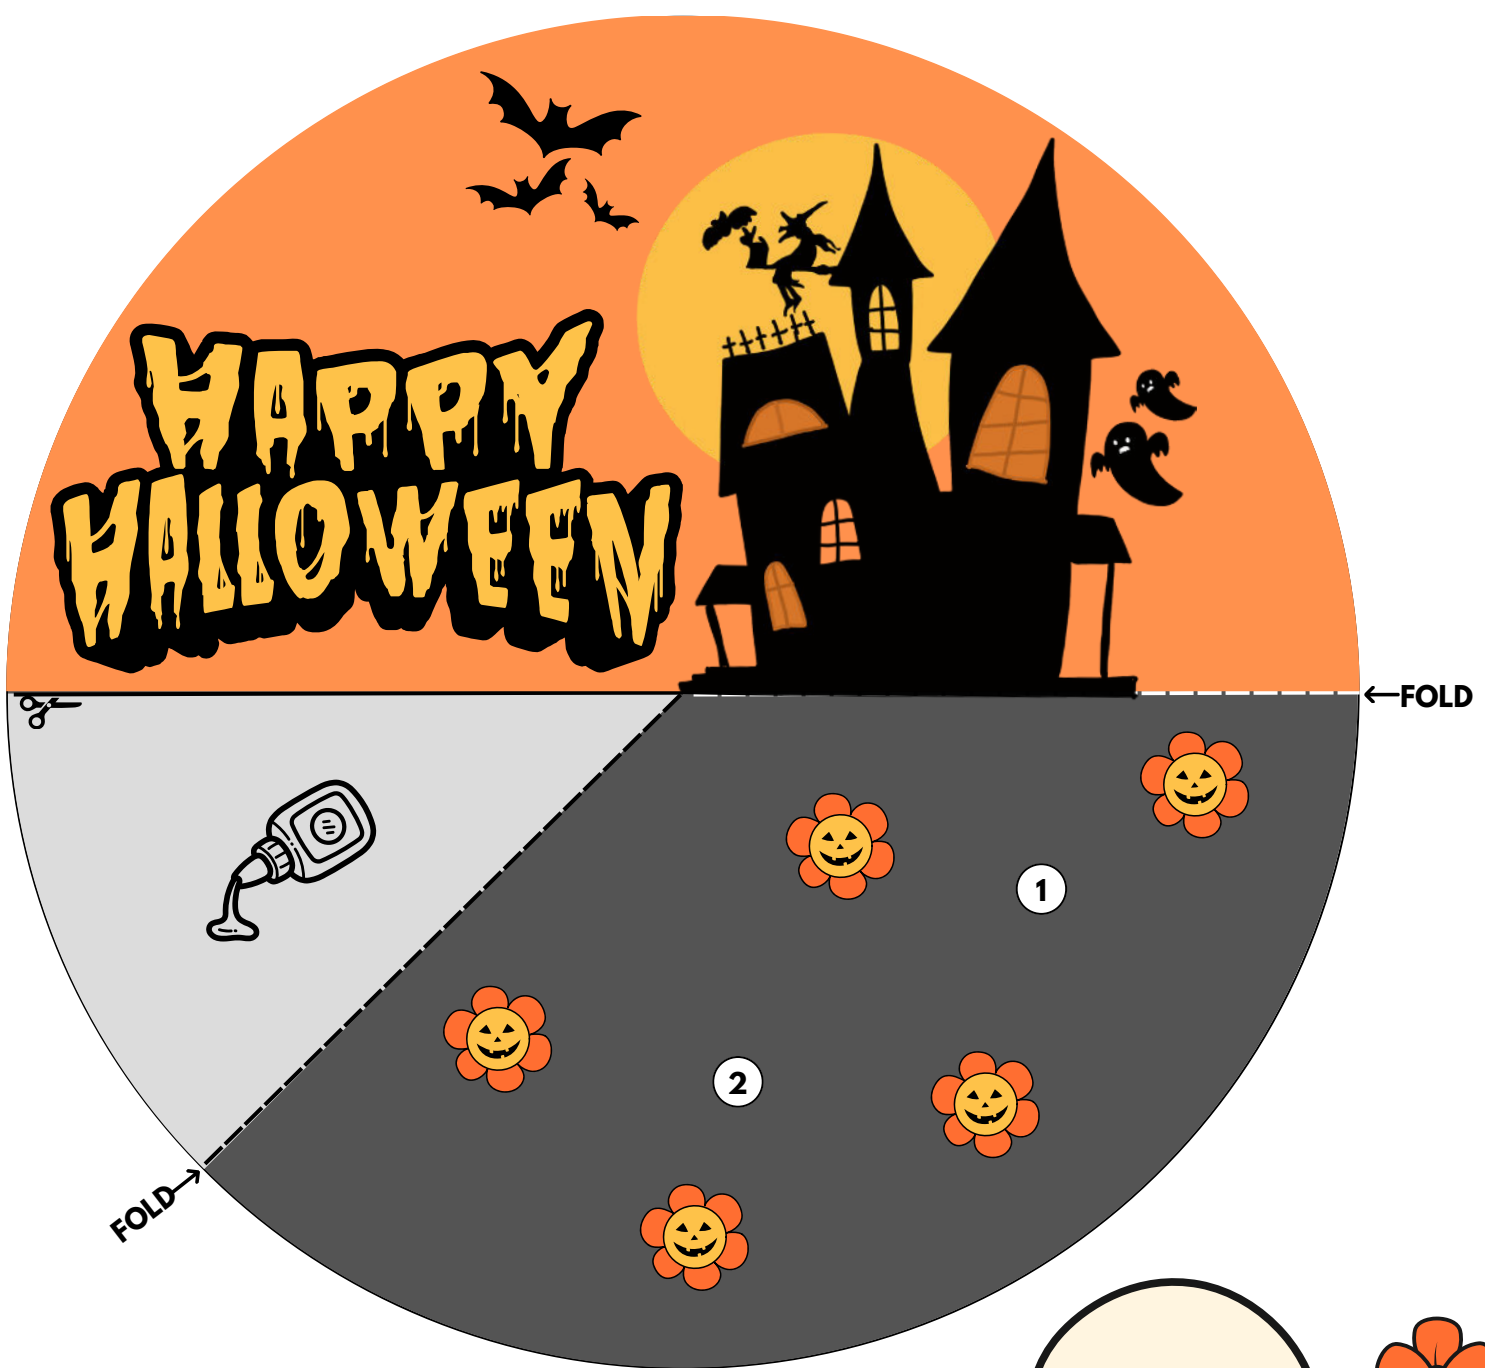

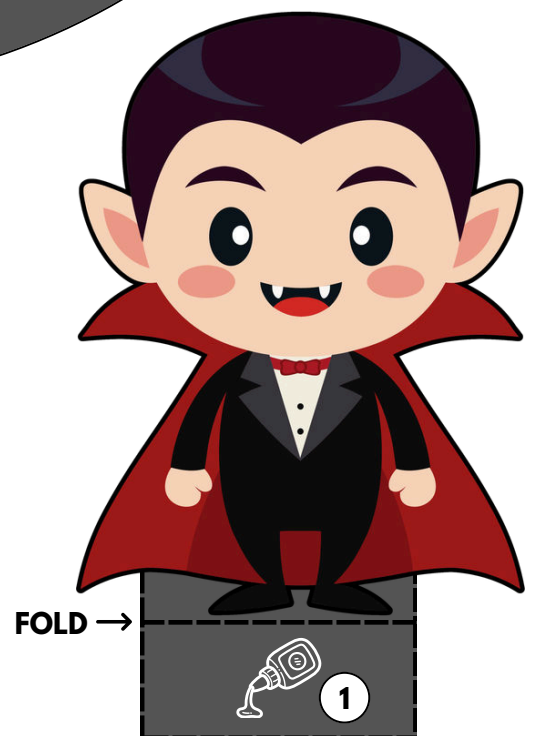

Instructions:

1. Print the Template – Print out the provided template on sturdy paper for best results.
2. Cut Out the Pieces – Carefully cut along the edges of each template piece.
3. Prepare the Large Circle:
 - Cut along the solid line in the center.
 - Fold the circle in half along the dotted line.
 - Fold again along the second dotted line and glue it to the back of the cut circle to create a 3D effect.
4. Prepare the Other Two Printable Pieces:
 - Fold along the dotted lines as indicated.
5. Assemble the Craft:
 - Apply glue to the back of each folded printable piece.
 - Place each piece according to its designated number (1 or 2) on the template.
6. Let It Dry – Allow the glue to dry completely before handling your finished 3D Halloween craft.
