PRINT & PREPARE

Print single-sided at 100% / Actual size. Do not select Fit to page.

Each play-mat cell and paper tile measures 34 x 34 mm.

Cut 13 felt squares in each color, or use the included paper tiles.

Cut around each challenge card. Keep its title above the grid.

PLAY TOGETHER

Choose a card and the play mat with the same grid size.

Keep the card title at the top. Start at the top-left square.

Copy one row at a time, then check your mat against the card.

The challenge cards are also your answer keys.

MAKE IT YOURS

Begin with one row or just two colors. There is no need to rush.

Design a new card or make a pattern for someone else to copy.

Use adult help for cutting and supervise young children.

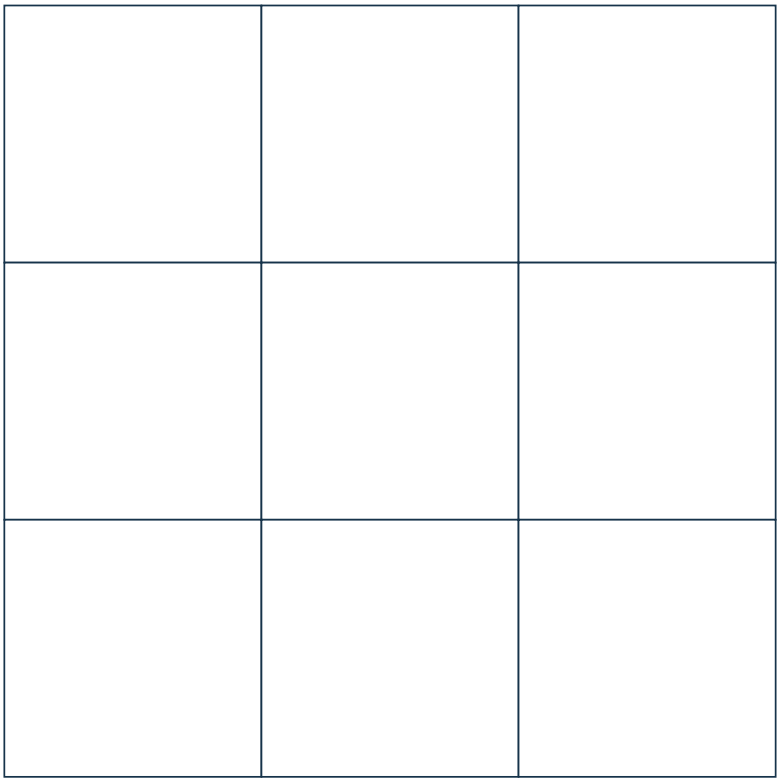

TERMS OF USE

Free for personal and classroom use. Do not sell or redistribute.
